Concrete for Interiors

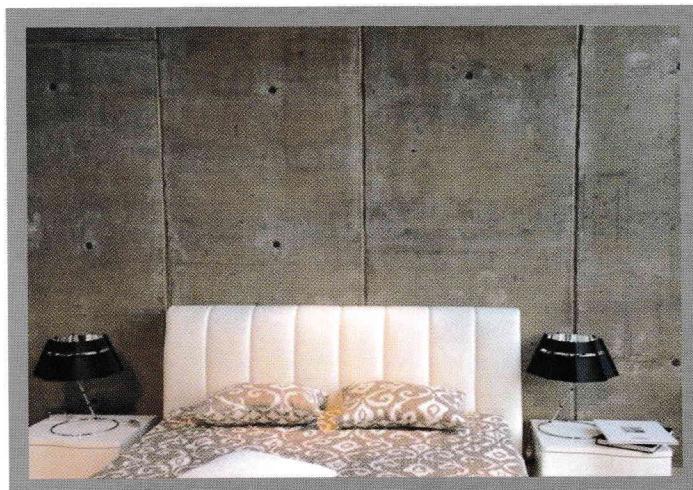

Concrete effect is also used in interior wall. It gives fantastic modern art look to your inside wall.

Strength in concrete is too high level and our matt finished product (WAX) & protective coat (SEALIENT) give it matt & glossy look and make concrete texture stronger & hard. Concrete material mixed with fiber that make it crack proof.

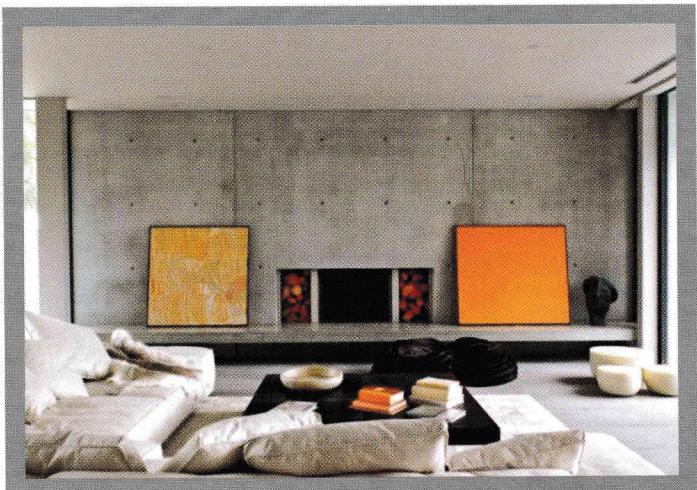

Black Grouted Paper Joint

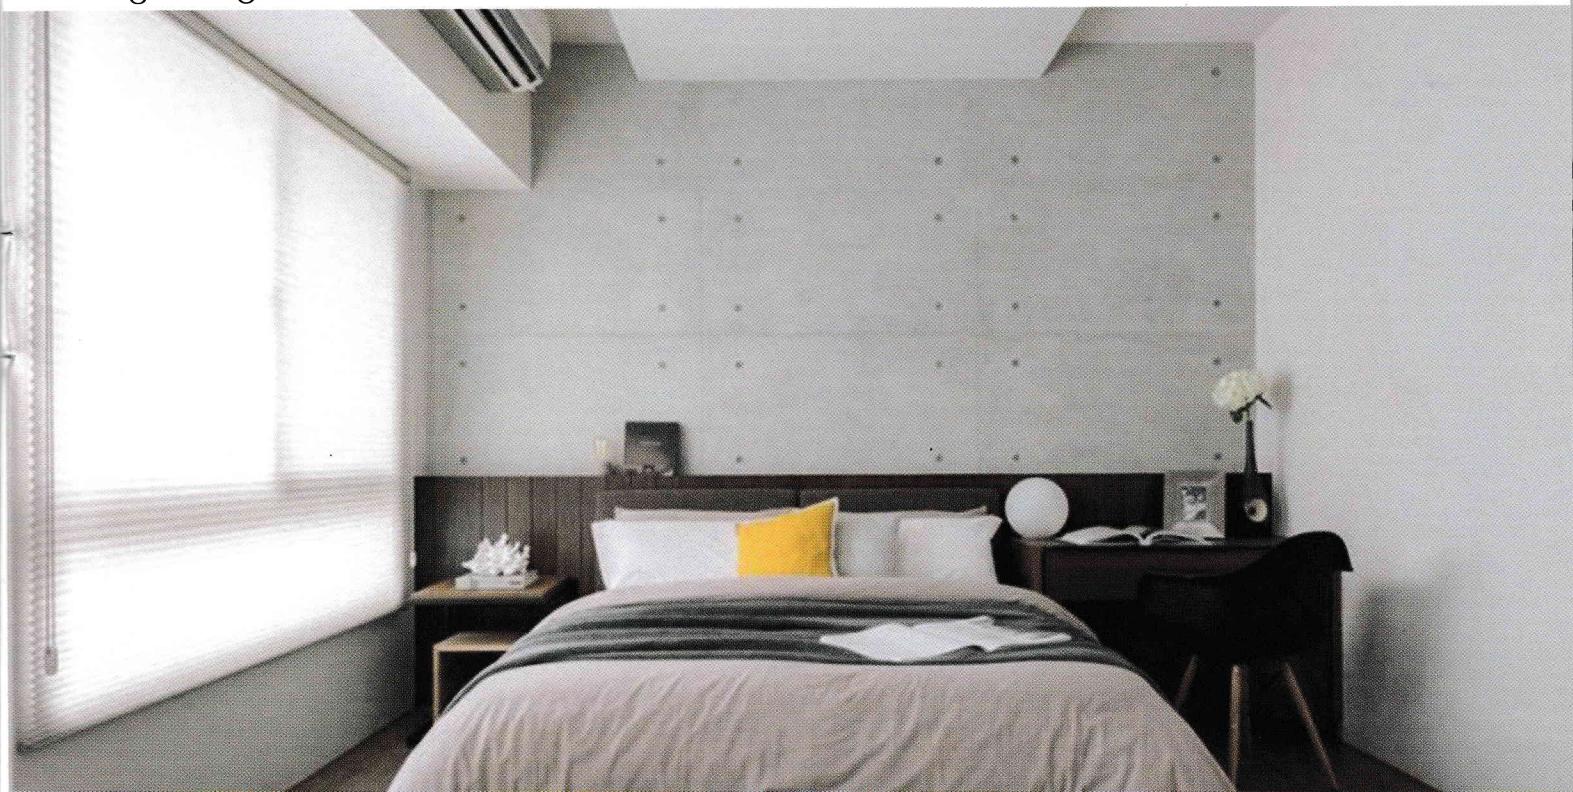

Yellow Grouted Taped Joint

Plank Joint With Screw Effect

The high class texture product concrete made with some natural minerals & some chemicals with high strength derivatives.
